

FHX DEFENDER MULCHER

PRODUCT DESCRIPTION:

The Brushhound FHX Defender Forestry Mulcher is the product of years of high performance brush cutter engineering. It allows standard flow skid steers and track loaders to become powerful fuel reduction and land clearing tools.

Power unit must be equipped with 1/2" Lexan® glass (or equal) and falling object protection.

PERFORMANCE:

With its efficient cutter design, it is perfectly suited for property maintenance, right-of-way clearing and creation or maintenance of defensible space in areas where wildfires are a threat. Cutting capacity up to 10" intermittently, 6" continuous.
