HEAR WHAT LAST YEAR'S ATTENDEES HAD TO SAY ABOUT THE EVENT!

“The WIC Summit was an incredible experience! Connecting with and learning from some inspiring women in the industry was valuable beyond compare. I felt energized and empowered LONG after the event was over. Mostly, having made new and lasting industry connections is something all attendees will benefit from for the rest of their careers. Thank you for planning and hosting such a powerful event!!”

“The Women in Construction Summit re-lit the fire for me in a way. The experience revamped my drive and motivation to be a force of reckoning within the construction world! “

Brandi A. ★★★★★

“WIC Summit was refreshing and empowering. Each speaker brought something valuable to the audience. Every detail for the event was considered; nothing was overlooked. A great event all around!”

Nikki B. ★★★★★

“I felt the authenticity of everyone there but most importantly from the presenters. I felt like I could really connect and relate, which let my guard down to be able to network and chat without fear of judgment or anxiety. I felt empowered leaving and going back to my office with a new found love for the industry. I'm excited to have a sisterhood of other women in the industry that I feel I could reach out to for advice, leadership, networking, etc.”
